

Travelling to and from School
(Advice taken from TFL website)

- Walk, cycle or scooter to school where possible, to help make space for those who have no alternative but to use public transport.

- If using public transport, avoid busy interchanges by taking the most direct route. Please plan ahead and allow more time for your journey as travelling at the busiest times may take longer than it would normally.

- To help you plan your journey please check [tfl.gov.uk](https://www.tfl.gov.uk) where you will find advice and information of how the network will operate differently.

- If using public transport, or taxi and private hire services, use a facial covering, carry a hand sanitizer and wash your hands before and after you travel.

- Advice on maintaining social distancing will be given across the transport network and further measures to prevent crowding through new queuing systems will be in operation. Please respect each other's space and try to maintain social distancing wherever possible.

- If you have to drive, please plan ahead and obey speed limits and traffic laws at all times. Please plan ahead and allow more time for your journey as travelling at the busiest times may take longer than it would normally.
