15th January 2021

Dear Parents and Carers,

I hope that you and your family are well.

I would like to thank all of you for your support in setting up our new procedures for remote learning and for children attending school. I am very pleased that the vast majority of our children at home are completing their online learning. It is so important that our children do not miss any more of their education than is absolutely necessary. Please continue to support your child to complete their learning every day.

We have supported many families who have had difficulties with technology and Mr Bessant will continue to contact the families who we know are having problems. If you are having difficulties accessing the learning, please contact us by phone or email as soon as possible and we will do our best to help.

We will continue to monitor children's engagement in remote learning and we will be phoning all families at least once a week to support children's learning and well-being. Please be aware that for safeguarding reasons these calls will be made from withheld numbers. Families with more than one child will receive a phone call for each child.

This week we supported pupils that are in receipt of free school meals with food parcels. From next week pupils in receipt of free school meals will receive vouchers through the Government's Edenred scheme. If you have not previously checked whether your child is entitled to receive free school meals then please complete an application via <https://www.cloudforedu.org.uk/ofsm/sims>. Please contact Natalie via the school office if you have any questions.

All of our staff are either working at home or in school. Although we cannot have any physical meetings, we are still here to support you. If you need any help or have any questions, please do not hesitate to contact the school office by phone or email.

Please take care during these difficult times and follow the lockdown guidance from the government. We look forward to seeing all of you back in school as soon as it is safe to do so.

Yours sincerely

Ann Butcher
Head Teacher
