

Friday 29th January 2021

Dear parents and carers,

Starting from next week, 1st February, the Year 1 teachers and teaching assistants will be inviting the children to take part in a live lesson every week. We will divide the classes into small groups. The lessons will take place at 11.30 am and we will send you the information you need so that you know which day your child will be able to join the meeting. We will send a link to you via email about 30 minutes before the session. You will just click on the link and will be able to join the meeting.

The first lesson will involve a little game for the children to play and to get us all used to being in a live lesson. We will put all the children on mute and if they wish to say something they can raise their hand and we can ask them to unmute the microphone. You can help your child by showing them where the mute button is - it's the red microphone at the bottom of the screen.

Moving on we will start to play some Phonics games, like Phonics Bingo, and then move onto some Maths - the Year 1s are all so good at Maths!

If you have any questions, please do not hesitate to email us.

We look forward to seeing you all.

Jane, Ms Barnett, Mariola and Chrystal
