

GORILLA CLASS

PHONICS LEARN WORKSHOP

Thursday 4th November

9.00-9.45 am

You are invited to attend a LEARN Workshop where you will have the opportunity to observe a phonics lesson and participate in some activities with your child.

The workshop will be informal and an enjoyable way for parents to find out exactly how their child learns phonics in class.

We will be providing resources in the workshop for you to take home and keep for use when supporting your child with their homework.

We hope that every child will have an adult so that the children can join in with the workshop.

Thank you for your support.
