Dear Parents and Carers,

## **Re: Payment for School Trips**

School trips are now able to recommence for this academic year. We will also have workshops and performances in school, provided by external companies, which enhance the experiences that your child is receiving.

We are asking that parents/carers of pupils in all year groups, except Year 6, contribute £20 at the start of the academic year. **We will not ask for any further payment towards school trips and workshops throughout this academic year.** For Year 6 we will ask for payments for each individual trip.

As class trips will be starting soon we are asking for full payment as soon as possible. We will accept payments made in instalments if that is your preference. We would like full payment for all pupils by 15<sup>th</sup> October.

**Please make payment by using your ParentPay account. If you have not yet activated your child's account please ask the office for an activation letter.**

We organise as many school trips and off site activities as possible because we know that children learn best when they have first-hand experiences and are motivated and interested in their learning. We hope to be able to continue to give them these experiences.

We will still continue to provide you with a letter informing you where they will be going, how they will be travelling, whether we require parents to accompany the trip and to ascertain the packed lunch requirements.

If you have any questions then please contact me. Thank you for your continued support.

Yours sincerely

Ann Butcher  
Headteacher
