Flu Vaccinations

Flu vaccinations will be given to Reception - Year 6 pupils on Wednesday 24th November by the School Health Service Immunisation Team.

Parents need to register consent for the flu vaccination through the following link: <http://qlink.uk/li8/100675>

Please contact the Immunisation Team by phone 020 3049 1897 or email lg.shsimmunisation@nhs.net if you require any assistance.

Health Needs Assessment Form for Reception Pupils

We previously emailed Reception parents about completing an online Health Needs Assessment Form for the School Nursing Team.

Class Assemblies & Black History Assembly

Last Friday we held two excellent Black History Assemblies where we celebrated writers who had inspired others.

Yesterday Seahorse class performed a lovely class assembly.

On Thursday 18th November it is Bee class assembly at 9.10 am. We hope that Bee class parents will be able to join us on Thursday morning.

Applying for September 2022 Reception

If your child was born between 1st September 2017 and 31st August 2018 then you need to apply for a Reception place for September 2022 by 15th January 2022.

You need to complete an application via www.eadmissions.org.uk
Please arrange an appointment with Valarie Williams if you would like help to complete your application.

If you would like a tour of the school then please arrange this at the office.

Appropriate television programmes & computer games

We are aware that some children have been playing Squid Game in the playground. We have been teaching the children to play age appropriate versions e.g. Mr Wolf or Grandmother's footsteps.

It is important that parents are supervising the television programmes that their children are watching and the computer games that they are playing. Please ensure that your child is watching and playing age appropriate programmes and games. Squid Game is for 15 year olds and older, meaning that no child at Childeric should have watched it.

Children in Need

On Friday 19th November we will be raising money for Children In Need.

Children should come to school wearing something spotty, something yellow or fancy dress.

We are asking for a £1 donation as your child arrives at school.

Thank you for your support.

Pupil Details

At the recent Parent / Teacher Consultations we asked parents to check the contact details we hold on record.

There were a lot of changes where parents provided new addresses, new phone numbers and changes of GP.

If you move home or change your phone number can you please make sure that the office is informed straight away so that we always hold up to date contact information for you and your child.

We always need to have up to date phone numbers to contact parents in emergencies.

Meal changes

We need to remind parents again that children MUST remain the same meal option all week.

It causes a lot of issues for the office and the kitchen when children change their meal options throughout the week.

If your child is packed lunch on a Monday then they must remain packed lunch all week and if your child is school dinner on a Monday then they must remain school dinner all week.
